

RowID	Form Panel Name (Last Updated 12/18/19)	Is the Panel Required?	Field Name	Data Type	Is the Field Required?	Are values limited by a Lookup List?	Field Description	Information displayed on EcoAtlas Project Information Page?
1	Project Information	yes					stores information for the project	
2	Project Information		Project Name	text	yes	no	name of project	yes
3	Project Information		Public Status	text	yes	yes	indicates whether project is public, confidential or test data	no
4	Project Information		Administrative Region	text	yes	yes	administrative region responsible for reviewing information and approving projects for display on EcoAtlas. A project is associated with only one region.	no
5	Project Information		Project Type	text	yes	yes	type of project	yes
6	Project Information		Project Short Name	text limited to 15 characters	yes	no	display name of project for mapping purposes	no
7	Project Information		Mitigation Project	text	no	yes	Only viewable when Project Type = Impact; name of project mitigating for impacts	yes, displayed in Related Habitat Impacts section
8	Project Information		Project Description	text	no	no	description of project	no
9	Project Information		Project Abstract	text limited to 350 characters	no	no	abstract for the project	yes
10	Project Information		EcoRegion	text	yes	yes	ecoregion the project is located in	no
11	Project Information		Region Board	text	yes	yes	regional water board the project is located in	no
12	Project Information		County	text	no	yes	county project is located in; may select multiple counties	yes
13	Project Information		Funding Need	integer	no	no	funding amount needed for project in dollars	yes, displayed in Funding section
14	Project Information		Project Information Source	text	no	no	information about the source of the project information	no
15	Project Information		Monitoring required	text	yes	yes	indicates if monitoring is required for the project	no
16	Project Information		Does this project intentional	text	yes	yes	indicates if the project has any activities related to climate change	no
17	Project Information		Project Comments	text	no	no	comments related to a project	no
18	Project Information		Tags or Keywords	text	no	no	keywords or tags comma-separated	no
19	Project Information		Water Source	text	yes	yes	water source for project	no
20	Project Information		Water Source Comments	text	no	no	comments related to water source	no
21	Project Information		Administrative Status	text	yes	yes	Only viewable by managers: indicates whether project has been approved, or is pending review, or other statuses	no
22	Project Information		Display Status	text	yes	yes	Only viewable by managers: indicates whether a project has been approved for public display	no
23	Project Information		Administrative Comments	text	no	no	Only viewable by managers: administrative comments related to a project	no
24	Project Events	no					stores information related to project events	
25	Project Events		Event Date	date	yes	no	date of the project event	yes
26	Project Events		Event Type	text	yes	yes	type of project event	yes
27	Project Events		Event Comments	text	no	no	comments related to a project event	yes, displayed in Events section as Description
28	Contacts	no					stores names of individuals and organizations for project contacts	
29	Contacts		First Name	text	yes	no	first name of person; use "Unknown" if don't know the name of the person	yes
30	Contacts		Last Name	text	yes	no	last name of person; use "Unknown" if don't know the name of the person	yes
31	Contacts		Organization/Entity	text	yes	yes	organization associated with person	yes
32	Contacts		Contact Role	text	yes	yes	role of contact	yes, displayed in People section as Type

RowID	Form Panel Name (Last Updated 12/18/19)	Is the Panel Required?	Field Name	Data Type	Is the Field Required?	Are values limited by a Lookup List?	Field Description	Information displayed on EcoAtlas Project Information Page?
33	Contacts		Department	text	yes	no	department within an organization; default is "Not applicable/Unknown"	yes
34	Contacts		Phone	text	no	no	telephone number	no
35	Contacts		Email	text	no	no	email address	no
36	Contacts		Street Address	text	no	no	street address	no
37	Contacts		City	text	no	no	city	no
38	Contacts		Zip Code	text	no	no	zip code	no
39	Contacts		Contact Comments	text	no	no	comments related to contact	no
40	Alternate Project IDs	no					stores IDs used by different agencies for a project	
41	Alternate Project IDs		Alternate Project ID	text	yes	no	id or number of permit	yes, displayed in Project Identification section
42	Alternate Project IDs		Permit or ID Type	text	yes	yes	type of permit	yes
43	Alternate Project IDs		Date Issued	date	no	no	date permit issued	no
44	Performance Measures	no					stores information on the target and actual performance measures for a project	
45	Performance Measures		Target Plan Name	text	yes	yes	plan name for target performance measure	yes, displayed in Performance Measures section
46	Performance Measures		Target Plan Goal	text	yes	yes	plan goal for target performance measure	yes
47	Performance Measures		Target Performance Measur	text	yes	yes	target performance measure	yes
48	Performance Measures		Target Begin Date	date	no	no	start date for the performance measure	no
49	Performance Measures		Target End Date	date	no	no	end date for the performance measure	no
50	Performance Measures		Target Value	numeric	yes	no	value for target performance measure	yes
51	Performance Measures		Target Units	text	yes	yes	units for target value	yes
52	Performance Measures		Target Comments	text	no	no	comments related to the target performance measure	no
53	Performance Measures		Actual Plan Name	text	yes	yes	plan name for actual performance measure	yes
54	Performance Measures		Actual Plan Goal	text	yes	yes	plan goal for actual performance measure	yes
55	Performance Measures		Actual Performance Measur	text	yes	yes	actual performance measure	yes
56	Performance Measures		Actual Evaluation Date	date	no	no	date of evaluation for the performance measure	yes
57	Performance Measures		Actual Value	numeric	yes	no	value for actual performance measure	yes
58	Performance Measures		Actual Units	text	yes	yes	units for actual value	yes
59	Performance Measures		Actual Evaluation Phase	text	no	yes	evaluation phase for performance measure	no
60	Performance Measures		Actual Data Source	text	no	yes	data source for evaluating the actual performance measure	no
61	Performance Measures		Actual Status	text	yes	yes	status of performance measure	yes
62	Performance Measures		Actual Comments	text	no	no	comments related to the actual performance measure	no
63	Species	no					stores information on species affected by the project	
64	Species		Species Name	text	yes	yes	species name	no
65	Species		Species Focus	text	yes	yes	indicates the focus of the species for the project	no
66	Species		Species Objective	text	yes	yes	indicates the purpose of the species for the project	no
67	Groups	no					stores information on groups associated with the project	
68	Groups		Group Name	text	no	yes	group of related projects, e.g., projects related to a program, conservation plan, or different phases of a project. A project can be associated with more than one group.	yes
69	Program Priorities	no					stores information on the program priorities for the project	
70	Program Priorities		Program Priorities	text	no	yes	name of program priority	no
71	Site Details	yes					stores information on project sites	

RowID	Form Panel Name (Last Updated 12/18/19)	Is the Panel Required?	Field Name	Data Type	Is the Field Required?	Are values limited by a Lookup List?	Field Description	Information displayed on EcoAtlas Project Information Page?
72	Site Details		Site Name	text	yes	no	name of project site	yes, displayed in Sites section
73	Site Details		Site Status	text	yes	yes	status of project site	yes
74	Site Details		Site Comments	text	no	no	comments related to a project site	no
75	Location	no					stores the centroid location of the project site	
76	Location		Latitude	numeric	no	no	latitude in decimal degrees	no
77	Location		Longitude	numeric	no	no	longitude in decimal degrees	no
78	Location		Datum	text	no	yes	datum	no
79	Location		Location Comments	text	no	no	comments related to a project site geometry	no
80	Activities	no					stores information on activities related to the project sites	
81	Activities		Activity Type	text	yes	yes	type of activity	yes, displayed in Habitat Plan section
82	Activities		Subactivity Type	text	yes	yes	type of subactivity; can select multiple subactivities	no
83	Activities		Activity Status	text	yes	yes	status of the activity (e.g. progress, planned)	yes
84	Activities		Easement/Agreement Time	text	yes	yes	timespan for the activity type; default is "Not Applicable"	no
85	Activities		Activity Comments	text	no	no	comments related to activity	no
86	Activities		Habitat Type	text	yes	yes	habitat of the activity	yes
87	Activities		Subhabitat Type	text	yes	yes	subhabitat of the activity	yes
88	Activities		Water Regime	text	no	yes	water regime for the habitat type	yes
89	Activities		Calculate Habitat Size?	text	yes	yes	indicates if the habitat size will be calculated	no
90	Activities		Length	numeric	no	no	only relevant for linear features (e.g. stream, river); amount in feet	no
91	Activities		Width	numeric	no	no	only relevant for linear features (e.g. stream, river); amount in feet	no
92	Activities		Habitat or Activity Size	numeric	no	no	size of the land area associated with the habitat or activity	yes, only acres displayed
93	Activities		Units	text	yes	yes	unit of the amount; default value is "Acres"	yes, only acres displayed
94	Activities		Habitat Source Type	text	yes	yes	type of source identifying the habitat type; default is "Not Recorded"	no
95	Activities		Habitat Credit	integer	no	no	number of acres of habitat approved to be applied towards the Delta's biological opinion target	no
96	Funding	no					stores information on project funders or in-kind contributors	
97	Funding		Funder Entity/Program	text	yes	yes	entity or program providing funding	yes, displayed in Funding section
98	Funding		Funding Amount	integer	no	no	funding amount	yes
99	Funding		Grant Contract Number	text	no	no	grant contract number	no
100	Funding		Bond Proposition	text	no	no	bond proposition number	no
101	Funding		Award Date	date	no	no	date funding was awarded	no
102	Funding		Funding Comments	text	no	no	comments related to funding source	no
103	Site Events	no					stores information on project site events	
104	Site Events		Event Date	date	yes	no	date of project site event	yes
105	Site Events		Event Type	text	yes	yes	type of project site event	yes
106	Site Events		Event Comments	text	no	no	comments related to a project site event	yes, displayed in Events section as Description
107	Map	no					stores the project site geometry	yes
